

ROUND-UP PROGRAM

Cabot Waterworks has partnered with First Care at First Baptist Church with the intention of helping financially strained customers of Cabot Waterworks pay their water bill.

The program will allow Cabot Waterworks to round up the customer's water bills to the nearest whole even dollar amount.

If you would like to help customers in need, the Round-Up Election form is available online and at our Billing Office. The form can be mailed, put in the drop box or delivered to one of the customer service representatives at Cabot Waterworks main office.

Please ask our personnel about details of the program.

Thank You

Cabot Waterworks
